

THE PRIORY ACADEMY

LSST

Extra-Curricular Activities 2024-2025

Module 2

This Priory Academy LSST extra-curricular activities booklet details opportunities on offer to students outside lesson time. The full range of activities on offer will be updated and available on the website each module.

These range from sporting activities such as football, rugby, and netball to learning new skills within nationally recognised schemes such as CCF and Duke of Edinburgh.

Our House System offers students a variety of activities for all year groups. Every module there are fun challenges and competitions for each House. These challenges include sport competitions, art challenges and pop culture activities as well as many more. There really is something for everyone! Students are encouraged to take part in these events to further immerse themselves in the life of the school.

Major events are run at key points of the year in conjunction with The Priory Association including shows such as the school show.

Our aim is to involve all students in positive, engaging, competitive activities which are intended to develop their physical, social, and intellectual skills so they become well-rounded individuals who will make positive contributions to society.

Sixth form reception is now manned until 4.30pm so you may exit through there after the club has finished.
