MFL

Assessment Guidance

Work completed by students in the MFL Department will be marked in one of the following ways:

- Light Touch Marking e.g. ticks, stamps, stickers;
- Verbal Feedback;
- Self-Assessment;
- Peer Assessment;
- Deep Marking.

Star stampers are used to indicate pleasing aspects of work and will be used for rewards. For every three stamps received, students are awarded a house point.

Arrow stamps are used to indicate an area or areas for improvement. Students are expected to respond to the teacher feedback in a timely fashion, using green pen. Students should be encouraged to have a green pen as part of their basic lesson equipment.

Assessments

The core MFL skills of listening, speaking, reading and writing/ translation are tested regularly in the form of mini assessments per module, which take place in the course of a lesson. Regular vocabulary tests also take place. Formal assessments in a range of skills are undertaken twice a year.

In KS5, extended pieces of writing will be marked using Edexcel mark schemes.
